

# Connecting with Realm

## Create an Account

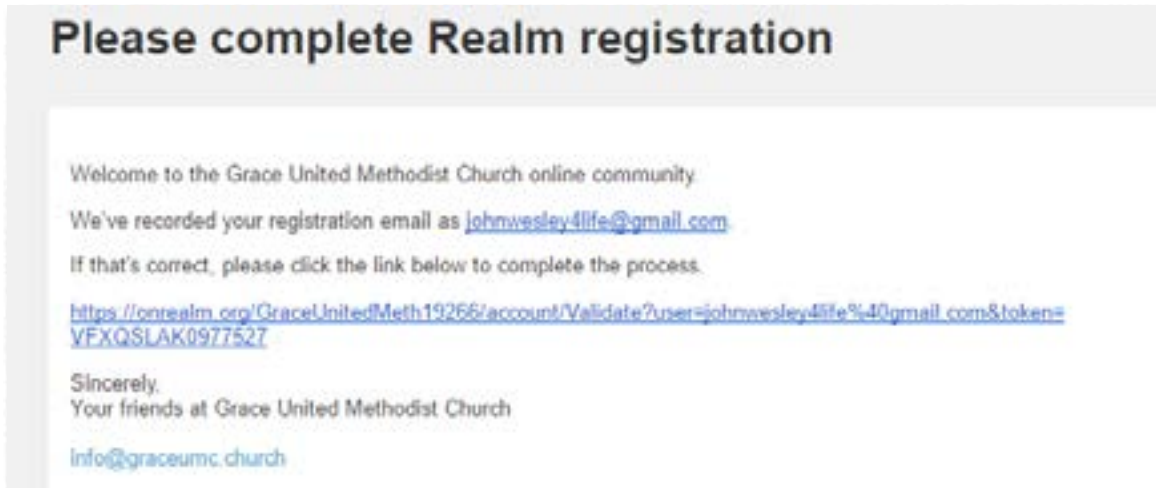

We have generated an invitation email to join Realm, which was sent to the email address you have on file with the church. Open the email and click the link to create your profile.

You will now be asked to create your password for logging in to your account. The email address will auto-populate in the form; please do NOT change the information in this field. If you would prefer to receive communication from the church at a different email address, you can make this change later on. Enter your password, complete the Captcha test, and click **Register**.

A screenshot of the 'Register' form. The title is 'Register' in bold black text. Below it is the text 'Sign-up is easy, and it's free! Get started by completing the fields below.' There are three input fields: 'Email Address' with the value 'johnwesley4life@gmail.com', 'Create Password' with a masked password and a green checkmark, and 'Confirm Password' with a masked password and a green checkmark. Below these is a CAPTCHA section with a green checkmark and the text 'I'm not a robot' next to a CAPTCHA image. At the bottom, there is a blue 'Register' button. A small disclaimer at the bottom reads: 'By clicking the register button below, you agree to the Software Services Agreement and you are 13 years of age or older.'

At this point, you will receive a second email confirming your email address. Click the provided link to complete the registration process.

Enter your birth date into the provided fields to validate your account and click **Verify Me**. Realm will check this information against information we already have on file. As long as it matches up, your account will be validated. **If we do not have your birth date on file, you will be asked to verify another piece of information from your account, such as your street address or phone number.**

**Please Verify Your Birthday**

For your protection, we ask users to validate their birth date against our records. Once we have verified you, we will send you a confirmation email.

If Realm is not able to validate your account, please contact Tracy Hemsath at [themsath@graceumc.church](mailto:themsath@graceumc.church) or call the church office at (913) 859-0111 for assistance.

Congratulations! You have created your Realm account. This service will allow you to [manage personal and family information](#), [register for church events](#), [interact with your ministry groups](#), and [make a financial contribution](#).
