

Common Grace 101

Where and when are worship services?

We'll meet on Sunday mornings at the Ball Conference Center (153rd & Lone Elm), with a start time likely between 10:30 and 11. Exact time info coming soon!

What will worship be like at Common Grace?

Worship will include some of the best the Methodist tradition has to offer and incorporate elements from the modern church. It will be designed to be welcoming, accessible, and family-engaging. Sermons will help you apply the wisdom of the scriptures to your daily life. Our prayer is that worship services will renew your spirit and prepare you to go into the world and live differently because of what you've learned!

Will there be opportunities for my kids?

Yes! Children ages 2 and under will have care by trained and loving staff, and children preschool through fifth grade will receive excellent and age appropriate Christian education in small and large group settings.

What about youth?

Our youth will be encouraged to participate in GUMY Life Groups on Wednesday evenings, and we'll invite youth to participate in the life of our community in a variety of ways during our Sunday mornings together.

Is Common Grace just for young families?

Common Grace is for everyone! It's a place where young and old will sit next to each other in worship, and those who have been on a journey of faith for decades can walk with those who are just beginning.

How can I support Common Grace?

We ask that you continue to pray for this community and your place in it. We have opportunities for people to make short term commitments to participate in the community, life, and worship of Common Grace (see reverse), and we also welcome people to go all in and commit to moving their attendance and investment to this community permanently.

And finally....

When do we launch?

We will begin the final plans to go public when we have 250 adults committed to attending and supporting Common Grace. The sooner we reach this benchmark, the sooner our adventure begins!
