Topics include: The Trinity and the Apostle's Creed, Sin and Grace, The Bible, Church history and John Wesley, The Wesleyan Quadrilateral and the Social Principles, and Sacraments and Membership. No Homework!

Episodes of Grace: The Epistle of Straw

In the Epistle of James has been the source of much theological discourse throughout church history, as Christians struggle with the concept of God's Grace and humanities responsibility to act on said Grace. In General James instructs his readers to live a life that is reflective of God's Grace in everything we do. James question for the church is: what does it mean to live consistently with what they have seen and learned through Christ?
